OUR VISION AND MISSION

OUR MISSION

is to become an exemplary technology-powered accounts outsourcing organization providing accounting and related management services globally in a digitized, structured and seamless manner

OUR FOUNDING TEAM

Hitesh Shah, Co-Founder

Chartered Accountant with over **18** years of experience

A seasoned professional and an expert in **deal advisory**. Having led leadership roles at **KPMG** in the past, Hitesh closely works with **Investors/VCs** and **start-ups** and helps them with their proposed investment as well as monitoring their portfolio post investments.

A passionate cricket lover and loves to teach.

Amith Shah, Co-Founder

Chartered Accountant with over **15** years of experience

Expert on global accounting framework and fund services. Worked with **KPMG** on various global reporting including Wipro. Amith leads the Fund accounting and **US GAAP / IFRS** initiatives and knows the trick of streamlining processes to achieve great cost savings.

A passionate traveller.

Sundeep Mittal, Co-Founder

Chartered Accountant with over 13 years of experience

Tech savvy who loves to solve problems using technology. From **Forensic to Accounting**, Sundeep has led various projects in his earlier stint at **KPMG** and continues to provide bespoke services to clients. Strong analytical ability backed by his love for **AI/ML/RPA** makes him come out with innovative solutions to client's problems.

Loves to speak at public forums and a passionate techie

Gopal Sharma, Co-Founder

Chartered Accountant with over 15 years of experience

Expert on **telecom & e-commerce** sector and business process outsourcing. Having earlier worked with **KPMG & EY**, Gopal leads the start-up initiatives. Setting up large team for a project in the quickest possible time is one of his many traits.

A passionate cricket lover with a great sense of humour.
